

CRISIS PROVIDER TRAINING SERIES

The Iowa Department of Health and Human Services is hosting a free webinar training series to assist Iowa's 988 and behavioral health crisis providers in serving children and their families and individuals who identify as LGBTQ+. While this series was developed for crisis service providers it is open to everyone.

Participants may choose to attend one or more of the training sessions. Each training webinar will be presented twice during the series and will be available as a recorded event. Certificates of attendance will be offered for each training following completion of a survey.
