## **COMMUNITY SERVICE – RAGBRAI DOUBLE HOURS**

**Do you owe community service as part of a plea agreement with the State of Iowa?**

**As an effort to welcome RAGBRAI and its economic boost, we are looking to beautify Wapello County! To provide additional incentive to help out, Wapello County is willing to agree to double hours! That's right, if you owe community service hours to the State, we will agree to a 2 for 1 special. If you spend one hour cleaning up for, volunteering during, and cleaning up after RAGBRAI – we will agree that one hour is good for two!**

**We fully support the benefits of community service and hope you will take advantage of the opportunity!**

**After completing any hours, bring your sheet/proof of service and our office will sign off on the double time.**

REMEMBER: Community Service can be used to pay off court costs and fines. While we cannot give double time for monetary credit, there are sure to be more available opportunities as we prepare for this event!
